Our Mission

The Arc of Story County strives to enrich the lives of persons with intellectual and developmental disabilities as they learn, work, play and grow within our community.

Achieve with us.
Highlights of 2016:

- Four individuals from our community are currently part of The Arc’s initial Project SEARCH Program in partnership with Iowa State University and Iowa Vocational Rehabilitation. Project SEARCH is a very successful employment training and placement model.

- The Arc hosted iCan Bike for the second year in a row. The iCan Bike camp teaches individuals to ride a two-wheeled bicycle independently, thus furthering their independence in the community.

- The Arc received a record $29,000 in grant funds to assist us with furthering our mission.

- In partnership with NAMI-CI, The Arc held its bi-annual candidate forum to assist in informing our members about issues that are important to them.

Growing in All the Right Ways

There is no denying that last year was one of continued growth for The Arc of Story County. What we achieved was only possible because of our members who are generous with their time, talents and funds; our advocates who drive our mission forward; and our engaged Board of Directors. Together, we will continue to grow in all of the right ways.

To our members, supporters and friends, Thank You.

The Arc was founded on the idea that we always have the ability to make a difference. Thank you for Achieving With Us!
