Growing in All the Right Ways

There is no denying that last year was one of continued growth for The Arc of Story County. What we achieved was only possible because of our members who are generous with their time, talents and funds; our advocates who drive our mission forward; and our engaged Board of Directors. Together, we will continue to grow in all of the right ways.

To our members, supporters and friends, Thank You.

The Arc was founded on the idea that we always have the ability to make a difference. Thank you for Achieving With Us!
