#### Our Goal

The Project SEARCH Lunch and Learn will bring together business leaders and professionals within Story County to inform them about disability inclusion throughout 1 hour of collaborative learning, sharing of best practice and networking. ## APPLICATION

2024-2025

### A Letter From The Director:

The Arc is gearing up for our annual trip to Iowa City for the dance and basketball competitions, and also getting ready for starting our five Spring Sports. We are so fortunate to have our generous partners who allow our practices to take place at various facilities throughout Ames. We also have many wonderful volunteers who make our sports and recreation activities fit into their own busy schedules. We hope everyone has enjoyed the intramural sports partnership with Iowa State. We look forward to expanding this partnership in the coming year.

A very special Thank You to:

- 100 Women Who Care
- Kevin & Catrina Judge
- The Ames Chamber of Commerce for recognizing the work The Arc does on behalf of others.

Below is the link to register for the **Seventh Annual Georges Niang Trivia Night or Golf Outing**. The Arc is very fortunate to be receiving the funds from this event as we look to secure our own space for our activities and programs to take place.

With Appreciation - Tricia Crain, Executive Director
